## Southern Costa Rica - January 15-25, 2007

### SPECIES RECORDED

**BIRDS: 264 species MAMMALS: 10 species AMPHIBIANS: 5 species REPTILES: 16 species**

#### BIRDS

264 species recorded. Eleven are "heard only" and indicated as such below.

This list follows arrangement and scientific names published in the *Checklist of Costa Rican Birds* by the Ornithological Association of Costa Rica, March 2003

Great Tinamou *Tinamus major* – Heard only at Esquinas  
Least Grebe *Tachybaptus dominicus* – Lagoon outside San Vito  
Pied-billed Grebe *Podilymbus podiceps* – Danny's pond outside of San Vito  
Brown Pelican *Pelecanus occidentalis* – Golfito and beach at mouth of Rio Baru  
Neotropic Cormorant *Phalacrocorax brasilianus* – Beach at mouth of Rio Baru  
Magnificent Frigatebird *Fregata magnificens* – Golfito and beach at mouth of Rio Baru  
Great Egret *Ardea alba* – Wetland areas around Esquinas, Golfito, and San Vito  
Snowy Egret *Egretta thula* – Rio Baru and from bridge over stream at La Gamba  
Little Blue Heron *Egretta caerulea* – Wetland areas around Esquinas, Golfito, and San Vito  
Tricolored Heron *Egretta tricolor* – Mud flats at Golfito  
Cattle Egret *Bubulcus ibis* – Agricultural areas with cattle  
Green Heron *Butorides virescens* – Golfito and lagoon outside of San Vito  
White Ibis *Eudocimus albus* – Wetland areas around Esquinas, Golfito, and San Vito  
Black-bellied Whistling-Duck *Dendrocygna autumnalis* – Pond on road to Skutch's Farm  
Mallard *Anas platyrhynchos* – Pond on the grounds of Hotel Savegre  
Blue-winged Teal *Anas discors* – Lagoon outside of San Vito  
Black Vulture *Coragyps atratus* – Seen daily in all areas  
Turkey Vulture *Cathartes aura* – Seen daily in all areas  
King Vulture *Sarcoramphus papa* – Three adults soaring above the bird trail at Esquinas  
Osprey *Pandion haliaetus* - Golfito, flying by marina  
Swallow-tailed Kite *Elanoides forficatus* – Esquinas and outside of San Vito  
White-tailed Kite *Elanus leucurus* – Agricultural area in La Gamba outside Esquina  
Harris' Hawk *Parabuteo unicinctus* – Pan American Highway on the way to Skutch's Farm  
Roadside Hawk *Buteo magnirostris* – All areas around the roads  
Broad-winged Hawk *Buteo platypterus* – Flying with King Vultures at Esquinas  
Short-tailed Hawk *Buteo branchyurus* – Area outside San Vito  
Red-tailed Hawk *Buteo jamaicensis* – Trogon Lodge and Savegre area  
Crested Caracara *Caracara cheriway* – Southern areas on the way to Esquinas and Wilson  
Yellow-headed Caracara *Milvago chimachima* - Southern areas around Esquinas and Wilson  
Laughing Falcon *Herpetotheres cachinans* – Two in tree in agricultural area in La Gamba outside Esquinas  
Gray-headed Chachalaca *Ortalis cinereiceps* – Grounds of Wilson Botanical Garden  
Crested Guan *Penelope purpurascens* – On the way to and on the grounds of Wilson Botanical Garden  
Gray-necked Wood-Rail *Aramides cajanea* – Below the veranda and behind the cabins as Wilson  
Purple Gallinule *Porphyrio martinica* – Agricultural area in La Gamba outside Esquinas and lagoon

outside of San Vito

Common Moorhen *Gallinula chloropus* – Lagoon outside of San Vito  
Black-bellied Plover *Pluvialis squatarola* – Beach at mouth of Rio Baru  
Wilson's Plover *Chradrius wilsonia* – Beach at mouth of Rio Baru and mud flats at Golfito  
Northern Jacana *Jacana spinosa* - – Agricultural area in La Gamba outside Esquinas  
Willet *Catoptrophorus semipalmatus* – Lagoon at mouth of Rio Baru and mud flats at Golfito  
Spotted Sandpiper *Actitis macularia* – Lagoon at mouth of Rio Baru, mud flats at Golfito, most smaller rivers  
Ruddy Turnstone *Arenaria interpres* – Under mangroves at edge of lagoon at mouth of Rio Baru  
Semipalmated Sandpiper *Calidris pusilla*– Mud flats at Golfito  
Laughing Gull *Larus atricilla* – Lagoon at mouth of Rio Baru and mud flats at Golfito  
Royal Tern *Sterna maxima* – Beach at end of Rio Baru  
Sandwich Tern *Sterna sandvicensis* – Beach at end of Rio Baru  
Common Tern *Sterna hirundo* – Beach at end of Rio Baru  
Bridled Tern *Sterna anaethetus* – Beach at end of Rio Baru  
Rock Pigeon *Columba livia* – Any time we entered an urban area  
Pale-vented Pigeon *Columba cayennensis* – Savegre area  
Scaled Pigeon *Columba speciosa* – Grounds of Wilson Botanical Garden  
Band-tailed Pigeon *Columba fasciata* – Trogon Lodge and grounds of Hotel Savegre  
Ruddy Pigeon *Patagioenas subvinacea* – Grounds of Hotel Savegre  
Short-billed Pigeon *Columba nigrirostris* – Grounds of Hotel Bougainvillea  
Common Ground-Dove *Columbina passerina* – Esquinas area  
Ruddy Ground-Dove *Columbina talpacoti* – Esquinas area and Wilson Botanical Garden  
Blue Ground-Dove *Claravis pretiosa* – From the road outside of Esquinas  
White-tipped Dove *Leptotila verreauxi* – Roadside stop on the way to Wilson  
Ruddy Quail-Dove *Geotrygon montana* – Tree fern area at Wilson Botanical Garden  
Crimson-fronted Parakeet *Aratinga finschi* – Esquinas and Wilson Botanical Garden  
Sulphur-winged Parakeet *Pyrrhura hoffmanni* – Trogon Lodge  
Orange-chinned Parakeet *Brotogeris jugularis* – Esquinas and Wilson Botanical Garden  
Brown-hooded Parrot *Pionopsitta haematotis* – Wilson Botanical Garden  
Blue-headed Parrot *Pionus menstruus* – From veranda and in the gardens at Wilson Botanical Garden  
White-crowned Parrot *Pionus senilis* – From the porch at Wilson Botanical Garden  
Red-lore Parrot *Amazona autumnalis* – Grounds of Esquinas  
Mealy Parrot *Amazona farinosa* – Along Bird Trail at Esquinas  
Squirrel Cuckoo *Piaya cayana* - – Wilson Botanical Garden, grounds of Hotel Bougainvillea  
Striped Cuckoo *Tapera naevia* – Open fields outside of Esquinas  
Smooth-billed Ani *Crotophaga ani* – Agricultural area in La Gamba outside Esquinas  
Groove-billed Ani *Crotophaga sulcirostris* – Agricultural area in La Gamba outside Esquinas  
Spectacled Owl *Pulsatrix perspicillata* – Heard only at Esquinas  
Common Pauraque *Nyctidromus albicollis* - – Road outside Esquinas  
Whip-poor-will *Caprimulus vociferous* – Road outside Esquinas  
White-collared Swift *Streptoprocne zonaris* – Seen daily  
Vaux's Swift *Chaetura vauxi* – Trails at Savegre, Wilson Botanical Garden  
Costa Rican Swift *Chaetura fumosa* – On the road back to San Jose  
Band-tailed Barbthroat *Threnetes ruckeri* – Grounds of Esquinas and Wilson Botanical Garden  
Green Hermit *Phaethornis guy* – Grounds of Wilson Botanical Garden  
Long-billed (Long-tailed) Hermit *Phaethornis longirostris* – Grounds of Esquinas  
Stripe-throated (Little) Hermit *Phaethornis striigularis* – Grounds of Esquinas feeding on heliconia  
Scaly-breasted Hummingbird *Phaeochroa cuvierii* – Wilson Botanical Garden  
Violet Sabrewing *Campylopterus hemileucur* – At feeder on the way to Wilson Botanical Garden  
White-necked Jacobin *Florisuga mellivora* – Esquinas and Wilson Botanical Garden  
Green Violet-ear *Colibri thalassinus* – Trogon Lodge and Savegre area. Jo-Ann LOVED this bird!  
Fiery-throated Hummingbird *Panterpe insignis* - Trogon Lodge and Savegre area.  
Violet-crowned Woodnymph *Thalurania colombica* – Esquinas near dining area  
Rufous-tailed Hummingbird *Amazilia tzacatl* – Nearly everywhere  
Charming Hummingbird *Amazilia decora* – Esquinas and Wilson Botanical Garden

Steely-vented Hummingbird *Amazilia saucerrottei* – Poro trees on Skutch farm  
 Snowy-bellied Hummingbird *Amazilia edward* – Hawking insects above pond outside of San Vito  
 Green-crowned Brilliant *Heliodoxa jacula* – Feeders at Trogon Lodge outside dining room  
 Purple-throated Mountain-Gem *Lampornis calolaema* – Grounds of Trogon Lodge  
 Gray-tailed Mountain-Gem *Lampornis cinereicauda* – Grounds of Trogon Lodge and feeders at Savegre  
 Magnificent Hummingbird *Eugene fulgens* - Grounds of Trogon Lodge and feeders at Savegre  
 Purple-crowned Fairy *Heliathyx barroti* – On the way to and at Wilson Botanical Garden  
 Scintillant Hummingbird *Selasphorus scintilla* – Feeders at Savegre  
 Volcano Hummingbird *Selasphorus flammula* – Cerro de la Muerte and feeders at Savegre  
 Baird's Trogon *Trogon bairdii* – In trees over cabins at Esquinas and at entrance to Ocelot Trail  
 Violaceous Trogon *Trogon violaceus* – Wilson Botanical Garden  
 Collared Trogon *Trogon collaris* – Grounds of Hotel Savegre  
 Black-throated Trogon *Trogon rufus* – Grounds of Esquinas  
 Slaty-tailed Trogon *Trogon massena* – Grounds of Esquinas  
 Resplendent Quetzal *Pharomachrus mocinno* – Mirador Quetzales, Savegre area at Miriam's place, and on the way out of the valley (male and female feeding)  
 Blue-crowned Motmot *Momotus momota* – Feeders at Hotel Bougainvillea and Wilson Botanical Garden  
 Ringed Kingfisher *Ceryle torquata* – On a power line on the road to Esquinas  
 Green Kingfisher *Chloroceryle americana* – Feeding at a stream in La Gamba and at Golfito  
 Rufous-tailed Jacamar *Galbula ruficauda*– Heard only at Esquinas  
 Emerald Toucanet *Aulacorhynchus prasinus* – Mirador Quetzales  
 Fiery-billed Aracari *Pteroglossus frantzii* – At the veranda of Wilson Botanical Garden  
 Chestnut-mandibled Toucan *Ramphastos swainsonii* – Esquinas and Wilson Botanical Garden  
 Olivaceous Piculet *Picumnus olivaceus* – Agricultural areas outside Esquinas  
 Acorn Woodpecker *Melanerpes formicivorus* – Grounds of Hotel Savegre  
 Golden-naped Woodpecker *Melanerpes chrysauchen* – Road through farm areas at La Gamba  
 Red-crowned Woodpecker *Melanerpes rubricapillus* – Numerous places  
 Hoffmann's Woodpecker *Melanerpes hoffmannii* – Grounds of Hotel Bougainvillea  
 Hairy Woodpecker *Picoides villosus* – Feeders at Miriam's place near Savegre  
 Lineated Woodpecker *Dryocopus lineatus* – Area outside Esquinas  
 Pale-breasted Spinetail *Synallaxis albescens* – Trails at Esquinas  
 Red-faced Spinetail *Cranioleuca erythroptera* – In trees around feeders and on trails at Wilson  
 Ruddy Treerunner *Margarornis rubiginosus* – In trees at Esquinas  
 Plain Xenops *Xenops minutus* – In trees at Esquinas  
 Wedge-billed Woodcreeper *Glyphorhynchus spirurus* – Trails at Esquinas  
 Northern Barred-Woodcreeper *Dendrocolaptes sanctithomae* – In trees above laundry area at Esquinas  
 Cocoa Woodcreeper *Xiphorhynchus susurrans* – In trees near main building at Esquinas  
 Spotted Woodcreeper *Xiphorhynchus serythropygus* – Tree fern area at Wilson Botanical Garden  
 Streak-headed Woodcreeper *Lepidocolaptes souleyetii* – Wilson Botanical Garden  
 Spot-crowned Woodcreeper *Lepidocolaptes affinis* – Rainforest trail at Hotel Savegre  
 Black-faced Antthrush *Formicarius analis* – Heard only on trails at Esquinas  
 Silvery-throated Tapaculo *Scytalopus argentifrons* – Heard only on rainforest trail at Savegre  
 Yellow-bellied Elaenia *Elaenia flavogaster* – Grounds of Wilson Botanical Garden  
 Lesser Elaenia *Elaenia chiriquensis* – In palm at marina in Golfito, on trail at Wilson  
 Mountain Elaenia *Elaenia frantzii* – Grounds of Trogon Lodge  
 Torrent Tyrannulet *Serpophaga cinerea* – Savegre River  
 Ochre-bellied Flycatcher *Mionectes oleagineus* – Grounds of Esquinas  
 Paltry (Mistletoe) Tyrannulet *Zimmerius vilissimus* – Wilson Botanical Garden  
 Scale-crested Pygmy-Tyrant *Myiornis atricapillus* – Tree fern area at Wilson Botanical Garden  
 Common Tody-Flycatcher *Todirostrum cinereum* – Esquinas and Wilson Botanical Garden  
 Yellow-olive Flycatcher *Tolmomyias sulphurescens* – Heard only at Wilson  
 Yellow-margined Flycatcher *Tolmomyias assimilis* – On the road from Wilson to San Jose  
 Bran-colored Flycatcher *Myiophobus fasciatus* – Grounds of Esquinas  
 Tufted Flycatcher *Mitrephanes phaeocercus* – Grounds of Hotel Savegre  
 Dark Pewee *Contopus lugubris* – Perched on post near open field at Hotel Savegre  
 Least Flycatcher *Empidonax mimimus* - On Bird Trail at Esquinas

Yellowish Flycatcher *Empidonax flavescens* – Grounds of Trogon Lodge  
 Black-capped Flycatcher *Empidonax atriceps* – Grounds of Trogon Lodge and Hotel Savegre  
 Black Phoebe *Sayornis nigricans* – Rio Savegre  
 Bright-rumped Attila *Attila spadiceus* – By the side of the road in La Gamba outside Esquinas  
 Rufous Mourner *Rhytipterna holeytha* – Grounds of Esquinas  
 Great Kiskadee *Pitangus sulphuratus* – Most places  
 Boat-billed Flycatcher *Megarynchus pitangua* – Trogon Lodge, Savegre, Wilson, and Hotel Bougainvillea  
 Social Flycatcher *Myiozetetes similis* – Esquinas and Wilson Botanical Garden  
 Gray-capped Flycatcher *Myiozetetes granadensis* – Esquinas and Wilson Botanical Garden  
 Golden-bellied Flycatcher *Myiodynastes hemichrysus* - Mirador Quetzales  
 Piratic Flycatcher *Legatus leucophaeus*- Heard only at Esquinas  
 Tropical Kingbird *Tyrannus melancholicus* – Seen most everywhere  
 Fork-tailed Flycatcher *Tyrannus savanna* – Seen flying over farm fields outside Esquinas and on power line on the way back to San Jose  
 Rufous Piha *Lipaugus unirufus* – Grounds of Wilson Botanical Garden  
 Cinnamon Becard *Pachyramphus cinnamomeus* – Grounds of Esquinas  
 Rose-throated Becard *Pachyramphus aglaiae* - Esquinas and Wilson Botanical Garden  
 Masked Tityra *Tityra semifasciata* – Wilson Botanical Garden  
 Turquoise Cotinga *Cotinga ridgwayi* – Two males and a female in a Strangler Fig on a road outside San Vito  
 Orange-collared Manakin *Manacus aurantiacus* – Grounds of Esquinas  
 White-ruffed Manakin *Corapipo altera*– Male and female on Jaba Trail at Wilson Botanical Garden  
 Red-capped Manakin *Pipra mentalis* – Grounds of Esquinas at entrance to Ocelot Trail  
 Yellow-throated Vireo *Vireo flavifrons* – Grounds of Skutch Farm  
 Yellow-winged Vireo *Vireo carmioli* – Grounds of Hotel Savegre and Wilson Botanical Garden  
 Brown-capped Vireo *Vireo leucophrys* – Grounds of Hotel Savegre  
 Philadelphia Vireo *Vireo philadelphicus* – At entrance to Ocelot Trail at Esquinas and at Skutch farm  
 Red-eyed Vireo *Vireo olivaceus* – Grounds of Trogon Lodge and Wilson Botanical Garden  
 Scrub Greenlet *Hylophilus flavipes* – Nesting in a tree by the road at the entrance to La Gamba  
 Lesser Greenlet *Hylophilus decurtatus* – Trails at Wilson Botanical Garden  
 Rufous-browed Peppershrike *Cyclarhis gujansis* – Heard only on grounds of Hotel Savegre  
 Brown Jay *Cyanocorax morio* – Grounds of Hotel Bougainvillea  
 Gray-breasted Martin *Progne chalybea* – Along roadsides on the way to Esquinas and near San Vito  
 Mangrove Swallow *Tachycineta albilinea* – Esquinas area and at pond on the way to Skutch Farm  
 Blue-and-white Swallow *Pygochelidon cyanoleuca* – Common everywhere except Esquinas  
 Northern Rough-winged Swallow *Stelgidopteryx serripennis* – Around two ponds in San Vito area  
 Southern Rough-winged Swallow *Stelgidopteryx ruficollis* – Road out of Esquinas and near San Vito  
 Black-bellied Wren *Thryothorus fasciatoventris* - Heard only in Esquinas area  
 Rufous-breasted Wren *Thryothorus rutilus* – In gardens at Wilson Botanical Garden  
 Riverside Wren *Thryothorus semibadius* – In foliage by river near dining room at Esquinas  
 Plain Wren *Thryothorus modestus* – On grounds of Hotel Bougainvillea  
 House Wren *Troglodytes aedon* – All areas around human habitations  
 Ochraceous Wren *Troglodytes ochraceus* – Grounds of Hotel Savegre  
 Gray-breasted Wood-Wren *Hericorhina leucophrys* – Crossing road at Mirador Quetzales  
 American Dipper *Cinclus mexicanus* – Rio Savegre  
 Tropical Gnatcatcher *Polioptila plumbea* – Grounds of Esquinas  
 Black-faced Solitaire *Myadestes melanops* – Heard only in forest around Trogon Lodge  
 Orange-billed Nightingale-Thrush *Catharus aurantiirostris* – Wilson Botanical Garden  
 Black-billed Nightingale-Thrush *Catharus gracilirostris* – Grounds of Trogon Lodge  
 Ruddy-capped Nightingale-Thrush *Catharus frantzii* – Grounds of Trogon Lodge  
 Sooty Robin *Turdus nigrescens* – Grounds of Trogon lodge and Savegre area, Cerro de la Muerte  
 Mountain Robin *Turdus plebejus* - Grounds of Trogon lodge and Savegre area  
 Clay-colored Robin *Turdus grayi* – Common everywhere  
 White-throated Robin *Turdus assimilis* – Grounds of Wilson Botanical Garden  
 Black-and-Yellow Silky Flycatcher *Phainoptila melanoxantha* – Savegre area  
 Long-tailed Silky Flycatcher *Ptilogonys caudatus* – Mirador Quetzales and Savegre area

Tennessee Warbler *Vermivora peregrina* – Esquinas and Wilson Botanical Garden  
 Flame-throated Warbler *Parula gutturalis* – Savegre area  
 Tropical Parula *Parula pitiayumi* – Grounds of Skutch Farm  
 Yellow Warbler *Dendroica petechia* – Grounds of Hotel Bougainvillea, Esquinas, and Wilson  
 Chestnut-sided Warbler *Dendroica pensylvanica* – Esquinas and Wilson Botanical Garden  
 Black-throated Green Warbler *Dendroica virens* – Savegre area  
 Blackburnian Warbler *Dendroica fusca* – Wilson Botanical Garden  
 Bay-breasted Warbler *Dendroica castanea* – Wilson Botanical Garden  
 Black-and-White Warbler *Mniotilta varia* – Wilson Botanical Garden  
 Louisiana Waterthrush *Seiurus motacilla* – Esquinas in river and at Wilson Botanical Garden  
 Mourning Warbler *Oporornis philadelphia* – In scrub near fields at La Gamba  
 Gray-crowned Yellowthroat *Geothlypis poliocephala* – In field at La Gamba near Esquinas  
 Wilson's Warbler *Wilsonia pusilla* – E.O. stalking Penny at Trogon Lodge, Savegre area, and Esquinas  
 Slate-throated Redstart *Myioborus miniatus* – Near overlook area at Wilson Botanical Garden  
 Collared Redstart *Myioborus torquatus* – Savegre area  
 Rufous-capped Warbler *Basileuterus rufifrons* – Wilson Botanical Garden  
 Buff-rumped Warbler *Basileuterus fulvicauda* – Grounds of Esquinas  
 Bananaquit *Coereba flaveola* – Hotel Bougainvillea, Esquinas, and Wilson Botanical Garden  
 Common Bush-Tanager *Chlorospingus ophthalmicus* – Rainforest trail at Savegre, Wilson Botanical Garden  
 Sooty-capped Bush-Tanager *Chlorospingus pileatus* – Savegre area  
 Red-crowned Ant-Tanager *Habia rubica* - Heard only at Esquinas  
 Summer Tanager *Pirangia rubra* – Hotel Bougainvillea, Esquinas, and Wilson Botanical Garden  
 Flame-colored Tanager *Piranga bidentata* – Trogon Lodge and Savegre area  
 Cherrie's Tanager *Ramphocelus costaricensis* – Esquinas and Wilson Botanical Garden  
 Blue-gray Tanager *Thraupis episcopus* – Seen most everywhere  
 Palm Tanager *Thraupis palmarum* – Esquinas and Wilson Botanical Garden  
 Yellow-crowned Euphonia *Euphonia luteicapilla* – Seen in the Cotinga tree outside San Vito  
 Thick-billed Euphonia *Euphonia lanirostris* – Esquinas and Wilson Botanical Garden  
 Yellow-throated Euphonia *Euphonia hirundinacea* – On the road from Esquinas to Wilson  
 Elegant Euphonia *Euphonia elegantissima* – Grounds of Hotel Savegre and Wilson Botanical Garden  
 Spot-crowned Euphonia *Euphonia imitans* – Esquinas and Wilson Botanical Garden  
 Blue-crowned Euphonia *Chlorophonia callophrys* – Grounds of Hotel Savegre  
 Silver-throated Tanager *Tangara icterocephala* – Trails at Savegre and feeders and gardens at Wilson  
 Speckled Tanager *Tangara guttata* – Feeders and grounds at Wilson Botanical Garden  
 Bay-headed Tanager *Tangara gyrola* – Esquinas and Wilson Botanical Garden  
 Golden-hooded Tanager *Tangara larvata* - Esquinas and Wilson Botanical Garden  
 Spangle-cheeked Tanager *Tangara dowii* – Rainforest trail at Savegre  
 Scarlet-thighed Dacnis *Dacnis venusta* – Wilson Botanical Garden  
 Green Honeycreeper *Chlorophanes spiza* – Esquinas, Wilson Botanical Garden, and Skutch Farm  
 Shining Honeycreeper *Cyanerpes lucidus* – Wilson Botanical Garden and Skutch Farm  
 Blue-black Grassquit *Volatinia jacarina* – Fields outside Esquinas and around San Vito  
 Variable Seedeater *Sporophila corvina* – Fields and gardens around Esquinas and Wilson Botanical Garden  
 Ruddy-breasted Seedeater *Sporophila minuta* – Fields in La Gamba outside Esquinas  
 Yellow-faced Grassquit *Tiaris olivacea* – Field at Hotel Savegre  
 Slaty Flowerpiercer *Diglossa plumbea* – Flowering plants around Savegre area  
 Yellow-thighed Finch *Pselliophorus tibialis* – Miriam's feeders in Savegre area and around Trogon Lodge  
 Large-footed Finch *Pezopetes capitalis* – Trogon Lodge and Miriam's feeders  
 Orange-billed Sparrow *Arremon aurantirostris* – Grounds of Esquinas  
 Black-striped Sparrow *Arremonops conirostris* – Grounds of Esquinas  
 Prevost's Ground-Sparrow *Melospiza bicarua* – Grounds of Hotel Bougainvillea  
 White-eared Ground-Sparrow *Melospiza leucotis* – Grounds of Hotel Bougainvillea  
 Rufous-collared Sparrow *Zonotrichia capensis* – Seen most everywhere  
 Streaked Saltator *Saltator striatipectus* – At edge of lagoon outside San Vito  
 Grayish Saltator *Saltator coerulescens* – Grounds of Hotel Bougainvillea

Buff-throated Saltator *Saltator maximus* – Esquinas and feeders at Wilson Botanical Garden  
 Rose-breasted Grosbeak *Pheucticus ludovicianus* – Savegre area and Wilson Botanical Garden  
 Indigo Bunting *Passerina cyanea* – Fields in La Gamba near Esquinas  
 Red-breasted Blackbird *Sturnella militaris* – Fields in La Gamba near Esquinas  
 Eastern Meadowlark *Sturnella magna* – Fields in La Gamba near Esquinas  
 Melodious Blackbird *Dives dives* – Seen flying over Danny's pond outside of San Vito, Hotel Bougainvillea  
 Great-tailed Grackle *Quiscalus mexicanus* – Most everywhere except Savegre area  
 Bronzed Cowbird *Molothrus aeneus* – La Gamba area around farm fields and near San Vito  
 Orchard Oriole *Icterus spurius* – Wilson Botanical Garden  
 Baltimore Oriole *Icterus galbula* – Most everywhere except  
 Scarlet-rumped Cacique *Cacicus uropygialis* – Grounds of Esquinas  
 Crested Oropendola *Psarocolius decumanus* – Around open areas of La Gamba outside Esquinas  
 Yellow-bellied Siskin *Carduelis xanthogastra* – Esquinas and Wilson Botanical Garden  
 Lesser Goldfinch *Carduelis pasltria* – On the road from Wilson to San Jose

### MAMMALS

White-nosed Coati *Nasua narica* – Feeders at Wilson Botanical Garden  
 Central American Agouti *Dasyprocta punctata* – Feeders at Wilson Botanical Garden  
 Alfaro's Pygmy Squirrel *Microsciurus alfari* - Savegre area  
 Red-tailed Squirrel *Sciurus granatensis* – Feeders at Wilson Botanical Garden, grounds of Savegre  
 Hoffman's Two-toed Sloth *Choloepus hoffmanni* – Night walk at Esquinas  
 Variagated Squirrel *Sciurus variagatoides* – Grounds of Hotel Bougainvillea  
 White-faced Capuchin *Cebus capucinus* – Trail at Hotel Savegre, Jaba Trail at Wilson Botanical Garden, Skutch Farm  
 Gray Four-eyed Opossum *Philander opossum* – Night walk at Wilson  
 Tayra *Eira barbara* – Seen by Roland on trail at Trogon Lodge in late afternoon  
 Sac-winged Bat *Saccopteryx bilineata* – Above refrigerator at Esquinas bar

### AMPHIBIANS

Brilliant Forest Frog *Rana warszewitschii* – Bird Trail at Esquinas  
 Hourglass Tree Frog *Hyla ebraccata* – Wilson, Esquinas night walk  
 Marine Toad *Bufo marinus* – Esquinas, Grounds of Hotel Bougainvillea  
 Red-eyed Leaf Frog *Agalychnis callidryas* - Night walk at Esquinas  
 Masked Tree Frog *Smilisca phaeota* - Wilson Botanical Gardens night walk

### REPTILES

Slender Anole *Anolis limifrons* – Lois's napkin on dinner table at Esquinas  
 Gray Lichen Anole *Anolis intermedius* – Hotel Bougainvillea  
 Green Tree Anole *Norops biporcatus* – Night walk at Wilson Botanical Garden  
 White-lipped Mud Turtle *Kinosternon leucostomum* – Danny's place, San Vito  
 Ringed Snail-Eater *Sibon annulatus* – Night walk at Esquinas  
 Fer-de-lance *Bothrops asper* – Esquinas  
 Blunt-headed Tree Snake *Imantodes cenchoa* - Wilson Botanical Garden night walk  
 Spectacled Caiman *Caiman crocodilus* – Ponds at Esquinas  
 Green Iguana *Iguana iguana* – Esquinas area  
 Brown Basilisk *Basiliscus basiliscus* – Esquinas area  
 Snapping Turtle *Chelydra serpentina* – Ponds at Esquinas  
 Spiny-tailed Iguana *Ctenosaura similis* – Road to Esquinas  
 Four-lined Ameiva *Ameiva quadrilineata* - Esquinas, Wilson Botanical Garden  
 Central American Smooth Gecko *Thecadactylus rapicauda* - Esquinas  
 Green Spiny Lizard *Sceloporus malachiticus* - San Jose, Hotel Bougainvillea  
 Rose-bellied Spiny Lizard *Sceloporus variabilis* - Savegre area
